

Prayer Needs in Nigeria

1. Rapid growth of "spiritual" churches

Mix Christianity with traditional beliefs and foreign cult beliefs

2. Nigerian leadership

They lead their denominations, agencies, and educational institutions

Pray for more leaders, schools, that they'll work together

3. Missions

Nigeria is one of the major missionary sending countries of the developing world - pray for their missionaries

4. Unreached people

Still researching people groups - 80 unreached people groups, 28 of which have no known groups of Christians

5. Literature and Christian media

Books, TV, *Jesus* film, Christian radio, drama, and Bible translation
