

# Prayer Needs in Bhutan

## 1. Bhutan closed to Christians until 1965

After slight relaxation of rules for 25 years, success in witnessing brought tighter rules. Pray that the country will open to the gospel

## 2. Persecution of Bhutanese Nepali

Government forced them to change to Drukpa culture. Nepalis have been expelled or fled to India and Nepal.

## 3. Drukpa majority

Strongly Buddhist

## 4. Other means of witness

Indians on the border with India, leprosy hospitals (almost wiped out leprosy), Christians in government, and radio.

## 5. Bible translation and literature

Main translator died, need the NT translated into Dzongkha, Kebumtamp
