

Prayer Needs in Nepal

1. Growth of the church in Nepal

1991 new religious freedom

Lots of new churches including many castes and ethnic groups

2. Mountain communities

Tibeto-Burman and Buddhist peoples

Little kingdom of Mustang (north)

3. Missionaries

Have helped improve health, agriculture and education

Delicate relationships with government (visas carefully screened)

4. Bible translation and distribution of literature

Also literacy - many people can't read

5. The *Jesus* film

Pray that it will inspire people and lead them to know Jesus more
