

# Prayer Needs in Uzbekistan

## 1. Jobs/money for people

One million people have no jobs  
Cotton growers are paid too little for  
their hard work

## 2. Missionaries

German and Russian Christians to share  
their faith  
Christian missionaries have to work in  
secret

## 3. Christian Radio

Scarce programming - they need Uzbek  
Christians to help make Christian  
programs

## 4. Karakalpak people

Live south of the Aral Sea  
Suffer in health because of salt storms  
and polluted water
