

Prayer Needs in Albania

1. Communists

They persecute all religions harshly

2. Growth of Gospel

A toe-hold for the gospel has been establish in most major towns, but to reach the rural areas and remote mountain valleys will take much effort.

3. Christian radio

To develop more and have an impact

4. Albanians outside Albania

Need to be evangelized

5. Religious freedom

Muslims are trying to re-Islamize the country

Catholics and Orthodox Christians also attempting to evangelize (like Bosnia almost)
