

# Prayer Needs in Qatar

- 1. Qatari believers converted since 1985**  
Converted outside the country  
New Christians and were persecuted
- 2. 91% Muslim (Wahhabi)**  
Not allowed to convert or be evangelized - they are very wealthy
- 3. Expatriate Christians**  
Can worship informally  
Need creative ways to reach their neighbors
- 4. Christian radio**  
Pray that AWR will be able to broadcast in their language and convert people
- 5. Small groups of Asian Christians**  
Indians, Pakistanis, Egyptians, and Westerners - that they will witness to their own communities and share with other people groups
