

Prayer Needs in Sudan

1. Suffering of southerners

Exclusion of foreigners to worst areas of violence

International agencies have been expelled or limited in their ability to help

2. Persecution of the church

Much since 1985, deliberate attempts to eliminate Christians: bombing church services, destroying villages, massacres, killing pastors, food-for-conversion policy for refugees, holy war (*jihad*) declared against Nuba people (animists)

3. Christians

Poor and dependent on aid, diseases, in hiding, need outside help

4. Arab speaking north

5. Bible translation, literature, radio

21-70 languages need the Bible
